Quick Guide:
How to Set Up Alerts (Mobile)

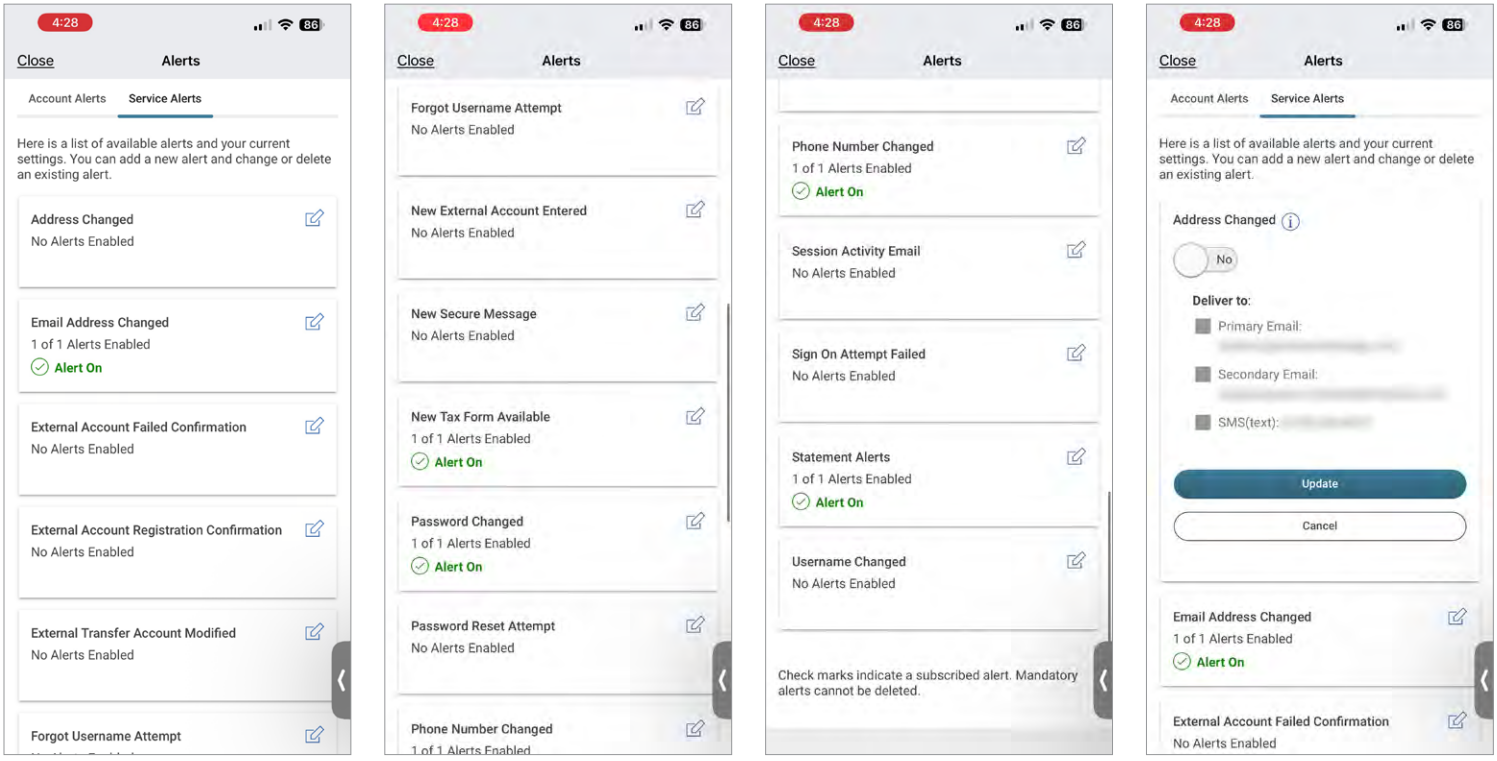

To access/edit alert preferences, tap on the profile icon in the top left corner of the home page. Tap **View all Notifications** and then tap Alerts.

Account Alerts

Within the **Account Alerts** tab you are able to select which account you would like to edit the **Alerts** on by tapping the **Accounts** drop down. You are then able to edit **Account Transfer Alerts, Balance Alerts,** and **Stop Pay Alerts** by tapping on the edit icon on the right, then the switch to yes, and checking the box of where you would like the alerts to be delivered. You are able to edit Contact Information by tapping on **Show Contact Information.**

Service Alerts Tab

Within the **Service Alerts** tab you are able to edit a long list of individual alerts by tapping on the edit icon on the right, then the switch to yes, and checking the box of where you would like the alerts to be delivered.
