Quick Guide:
How to Enroll in Bill Pay (Mobile)

To enroll in Bill Pay, tap the **Bill Pay** icon in the bottom navigation bar. From there, you can review the Bill Pay information and tap **Enroll** in the top-right corner of the screen to get started. Once enrolled, you can add a payee by tapping the **Add Payee** button in the top-right corner. You can search for a specific company or manually add a payee if it isn't listed.

After adding a payee, select them to enter or edit your payment details. This includes choosing which account the payment will come from, selecting the payment date, entering the payment amount, adding an optional description, and setting the payment frequency.
